Ideas for Fundraising Success!

- Start a week before your birthday
- Ask for donations that include a special number (i.e. \$30 or 30 donations for my 30th birthday).
- Post a funny photo for every donation over a certain amount.
- Ask for donations instead of gifts.
- Announce a donation match up to a certain amount.
- Enter everyone who donates into a drawing to win a special prize.
- Utilize social media during your birthday month to maximize donor outreach.
- Make sure to thank your donors! Whether that is a hand written note, or a post on social media.

Thank YOU for making life brighter for kids fighting cancer
